## **ELECTION**

Sir:

This is in response to the United States Patent and Trademark Restriction Office Action mailed June 29, 2007, which response is being made on or before July 29, 2007, and for which no extension of time fee is due.

Applicants hereby elect Group I, namely Claims 193, 195-200 and 202-216, drawn to method of generating cells capable of secreting insulin.

Applicants reserve the right to file, at a later date, additional divisional applications claiming priority from the present application which are directed to the non-elected Group.

Respectfully submitted,

Marker O. Morning

Martin D. Moynihan Registration No. 40,338
